BEAR TRACKS

PRESENTED BY

Every morning a gracious God gives to each of us twenty-four hours, fresh, untouched, they are ours to do with as we will. These divine gifts are not merely privileges--they carry with them responsibilities. As we journey through life, we can't afford to waste our precious moments idling along the way. True success belongs to the man who sets his goal high, travels always toward it, and refuses to be sidetracked, regardless of the cost. If we will assume our responsibilities and walk in a path directed by the Creator, our lives, too, will be happy and blessed.

We the senior class of Fairview High School, take this opportunity to dedicate this yearbook, the 1969 Bear Tracks, to the memory of John Martinmaas and Paul Schaefers. If it had not been for these untimely deaths, John and Paul would have been members of the graduating class of 1969

Mount Rushmore

Wall Drug

Nine seniors enjoyed "skip day" in the Black Hills of South Dakota on April 25 through the 27. They were accompanied by Mrs. Ed Schaefer, Mrs. Wilbur Venjohn, and Mr. and Mrs. Ray Naber.

The group saw Mount Rushmore, toured the School of Mines Museum, visited the Reptile Gardens, and many other sites too numerous to mention.

A spring snowstorm kept the sight-seers inside for about a half a day. During this time they made good use of a heated swimming pool.

Initiation *welcomes freshmen.*

On August 26, seventeen green freshmen entered the halls of FHS.

In September, as is tradition, the seniors gave them their royal welcome.

The usual "mess" followed, with this year's initiation even employing the use of syrup in a grease gun. What modern science doesn't come up with!

This has got to stop!!

Girls track, a new sport at FHA, was accepted with much enthusiasm.

The girls, under Coach Bob Ryan, participated in the Region Meet held at Huron.

The old adage that ladies "can't run" proved to be false, as many records that some boys would be glad to achieve were recorded.

Six track meets made a busy but eventful season for this year's track team.

Coach Ryan compliments his boys for the progress and development they have shown.

The thin-clads attended the following meets during the 1969 season: Corn Palace relays, Redfield relays, Highmore meet, Miller Junior High meet, Regional meet, and the Conference meet.

A young but determined Bear basketball team showed enthusiasm and team cooperation during the 1968-69 season.

Defeating the Miller Jrs. twice during the season added spark to the team's spirit.

The Bears, under new Coach Bob Ryan, show fine prospects for the future as a number of underclassmen gave valuable assistance to the varsity.

The FHS Lettermen's Club is composed of athletes who have excelled in basketball, boxing, cross-country, and track.

To letter, the athlete must meet the requirement of each given sport. This usually includes participation in the sport on the varsity squad.

Each year these lettermen sponsor the annual carnival. Its proceeds go to finance the athletic program.

The highlight of the year was the State Golden Gloves Tournament at Rapid City. At this meet Fred Schaefers and Jerry Kopecky captured Runner-up trophies.

Boxing, under the direction of Mr. Hagen, is in its third year at Polo.

Paper Staff *revises its publication.*

Ass't. Editor - J. Ortmeier, Editor - Gloria Ortmeier, Advisor - Mr. G. Blick, Staff Members - D. Schlechter, S. Martinmaas, L. Schaefer, K. Schaefer, G. Venjohn.

Fairview's school paper, "The Den", had a new look during the 1968-69 school term.

The publication, under the supervision of Mr. Blick, changed its printing process from the mimeograph to the spirit duplicator. This change made possible the use of color.

New features include the "bulletin board" and the regular column of "flashes from the classes."

"The Den" is published every six weeks. Its purpose is to spotlight the various activities, give student recognition, and develop interests in journalism.

Annual Staff *changes yearbook name.*

A unanimous student body vote selected "Bear Tracks" as the name of the 1969 yearbook. The previous title of the annual had been the "Polo-ite."

Many hours of work and planning were put in by the small staff in an effort to cover all of the school activities.

The annual staff would like to thank all those who donated financially during the soliciting drive last fall. Without their support a yearbook could not be a success.

GRADES

Kindergarten *enrolls 19.*

Mrs. William Ortmeier, with her helper, Mrs. Robert Wieseler, gave 19 students their first glimpse of school. Classes were held for 12 sessions during the month of March. Stress was put on learning to think and act through action plays, songs, and physical fitness exercises. Initial readiness in reading was given to each child as they completed a readiness reading book.

Remedial Reading

increases skill.

Government aid, under Title I has created a program to increase reading rates.

Students from both FHS and St. Liborious Grade School have benefited by this program.

Two instructors administered the program during the 1968-69 term. Miss Annette Hagen served the fall session, followed by Mr. Jack Langland the spring semester.
